Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Improving Drinking Water Infrastructure in Genesee County (MI)” project in Fiscal Year 2024. The entity to receive funding for this project is the Genesee County Drain Commissioner, located at G-4610 Beecher Rd., Flint, Mich. 48532.

The funding would be used to expand drinking water infrastructure in Genesee County, including the Charter Township of Fenton and the City of Burton, to reduce potential exposure to harmful toxins like arsenic and ensure continuous water flow to mitigate bacterial growth in the water supply. The project is an appropriate use of taxpayer funds because every community has the right to safe drinking water.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
